Dear Mrs. Roraima,

Vacation Ownership in Aruba plays an important role with nearly 40 percent of our total hotel units' inventory consisting of timeshare units. Thanks to this inventory comprising 16-timeshare Resorts on the island, we can boast a consistently high level of occupancy and economic activity all year, which is the envy of many of our Caribbean competitors.

As president of the Aruba Timeshare Association (ATSA), one of my duty is to establish a direct line of communication between our industry and the government of Aruba. The directors of Paradise Beach Villas Mr. Andy Osbourne and Mr. Freddy Albertus have informed me that they would like to meet with his Excellency Mr. Otmar Oduber to discuss the expansion of the resort.

On behalf of Paradise Beach Villas, I respectfully request a meeting with his Excellency Mr. Oduber for the directors to discuss their ongoing project. I took the liberty to copy both Mr. Osbourne and Mr. Albertus in this email so that you can contact them directly.

Awaiting your prompt and positive reply, I remain.

Respectfully,

**Ursell M. Arends**
